

Congratulations!

AND HERE'S A
GIFT FOR YOU

Oasis
at WSNM

Like and follow us on Facebook and Instagram and receive a

FREE* Emsella chair treatment

@oasisatwsnm

The Emsella Chair is a non-invasive treatment that uses high-intensity focused electromagnetic energy (HIFEM) to stimulate the pelvic floor muscles.

During a 28-minute session, the chair generates thousands of pelvic floor contractions that are more intense than Kegel exercises.

Treatments can be scheduled as early as 6 weeks postpartum.

Oasis at WSNM

*Offer expires 5 months postpartum

To schedule call 505-314-1444. Services are performed at 101 Hospital Loop, Suite 105
